*With two offices in the greater Washington, D.C. area, plastic surgeon Dr. Shervin Naderi has earned top honors for customer satisfaction.*

Chevy Chase, MD ([PRWEB](#)) November 03, 2011 -- The Naderi Center for Rhinoplasty & Cosmetic Surgery has earned a 4-star rating for excelling in customer satisfaction, leading to the receipt of the prestigious CMUS Talk of the Town Customer Satisfaction Award in the Health & Medical category.

The Talk of the Town Awards, presented by Talk of the Town News, Customer Care News magazine and Celebration Media U.S., honor companies and professionals that provide excellent customer service as reported by their customers through no-cost, user-review websites, blogs, social networks, business rating services, and other honors and accolades. This data is analyzed by a team of researchers and converted into a star rating; only those that receive a 4-star to 5-star rating receive the Talk of the Town Customer Satisfaction Award.

Now with two locations in Herndon, Va., and Chevy Chase, Md., Dr. Shervin Naderi, MD, FACS, is a facial plastic surgeon serving the greater Washington, D.C. area. The practice is dedicated to rhinoplasty, revision rhinoplasty and minimally invasive facial cosmetic injections such as BOTOX®, Dysport® and Dermal Fillers. Dr. Naderi is a true “rhinoplasty specialist” in the greater Washington, D.C. area. Patients fly in from around the country as well as Europe and Asia because of his focus and specialty in rhinoplasty.

In addition to specializing in rhinoplasty, Dr. Naderi’s practice offers other services, ranging from facelifts and chin implants to acne scar reduction procedures and chemical peels and lasers. Dr. Naderi is also a national clinical instructor for Allergan and Medicis, training other doctors on the best practices for injecting BOTOX®, Dysport®, Restylane®, Perlane® and JUVEDERM® (fillers). Dr. Naderi travels to other practices and other states teaching and lecturing on these injection techniques.

Dr. Naderi places an emphasis on providing excellent customer service, with modern, elegant offices and a small office staff that takes care of his patients’ needs. “I expect the best, and my staff delivers,” says Dr. Naderi. “We have a very specialized practice so we know our patients very well. We don’t rush to see 50 to 60 patients a day like most other cosmetic surgery offices.... We take our time and spend quality and quantity time with each patient. We treat our patients the same way I would want my family to be treated — with care, respect and utmost skill.”

Always putting the patients’ best interests at the forefront, Dr. Naderi says he sometimes talks patients out of surgery because it’s not the best choice for them. “I am not here to just operate on everyone, nor am I here to get rich,” he says. “I am only here to help people look and feel better about themselves, and sometimes talking a patient out of surgery is the best thing I can do for them.”

Dr. Naderi’s patients have spoken out on many occasions regarding their satisfaction with his practice. In addition to winning the Talk of the Town Award, Naderi won the 2009 and 2010 Most Compassionate Physician Award, and in 2011 he won Bethesda magazine’s Best Cosmetic Surgeon Award.
